Re: Commendation

Dear Mr. Goodman:

I am writing to convey my appreciation and that of our court for the outstanding service provided by the members of your staff and supporting contractors during what has been an extraordinarily busy month for our court.

Within the first three weeks of May, our court has hosted well over a 1,000 members of the Bar and public for programs including the investiture of two district judges and the State Bar of Georgia Young Lawyers Division Leadership Academy. These programs all included significant numbers of distinguished visitors, including well known members of the media and most recently Justice Clarence Thomas and most of the Supreme Court and Court of Appeals of the State of Georgia. These additional visitors to our court placed a significant additional burden on the infrastructure and systems in our courthouse, including cleaning services, HVAC, elevators, and maintenance. Further, several of these events occurred after hours, with one program not concluding until after 8 p.m. For many of our guests this was their first and perhaps only visit to our court house.

Despite the many challenges presented, your staff not only ensured that all systems were operating properly, but had people available in the event a problem

developed. In doing so, your staff directly contributed to the great success of these events.

Please accept my appreciation for a job well done and convey the gratitude of our court to your staff. Please include in your notice Mr. Rickey Nelson, whose people provided invaluable support. In particular (b) (6) was singularly responsible for cleaning in and around our ceremonial courtroom where many of the activities occurred.

Thank you, and my best wishes for your continued success and the success of your staff.

Sincerely,

(b) (6)

Julie E. Camras

**Brian Millard, Project Manager
Brooks Range Contract Services**

Subject: Letter of Recommendation.

To whom it may concern:

My name is Brian Millard. I am responsible for Operations, Maintenance, and Custodial services for 2.4 million square feet of office space for the Federal Government.

Rickey Nelson was the Custodial Manager from November 2003 to September 2004. When Rickey came on board the custodial services were of poor quality, and there were many personnel problems. Rickey took charge and quickly turned this around. Within a few short months, tenant satisfaction had improved significantly. Rickey was responsible for 60 employees covering two shifts, with 3 lead persons. Rickey managed to work within a very tight budget, while steadily improving service delivery. More importantly, Rickey performed very well with little or no supervision. He handled personnel issues with the utmost of level headed professionalism.

It has truly been a pleasure to know Rickey. He will be sorely missed and our service delivery will most certainly suffer. Please feel free to contact me if you have any questions.

To Whom It May Concern:

This correspondence is a letter of reference for Rickey Nelson. Rickey worked for our company, Rosemark, for many years in our Atlanta office.

During his time frame with our company, he was originally hired as a Cleaning Supervisor with specific responsibilities for the two properties at our Atlanta office. Our corporate office quickly realized that Rickey's talents could be utilized in other ways at the properties. We utilized him in many of the administrative areas and training of personnel in our office. We later promoted him into the position of a Project Manager over our cleaning operations of this 1.6 million square foot complex.

As Rickey graduated to the various requirements that our corporate office asked him to do, he was extremely professional and handled the many problems and issues related to these requirements, of his position, in an expeditious and "problem solving" manner. Rickey was extremely well liked by clients, employees and vendors that we did business with.

Unfortunately, our contract has ended in our Atlanta operations.

I would, without reservation, recommend Rickey for any position that you have available. He is an outstanding person and will become a valuable asset for employment with your company.

Should you wish to discuss or need further information regarding Rickey, please feel free to contact me at my office 903-597-8040, mobile phone 903-521-8182, or Email jerrytate@att.net.

Sincerely,

Jerry Tate, CPM
